# orijins PLEAZURES

## WHAT IS THIS PRODUCT RANGE FOR?

Orijins Pleazures is about reigniting passion and deepening connection through natural, luxurious products that stimulate the senses. Formulated to enhance libido and strengthen intimacy, our range empowers both men and women to embrace their desires and increase their pleasure.

The range is divided into two main categories:

### FOR HIM

PleazHim Tonic & Delay Spray: Boosts libido, stamina, confidence, and helps achieve stronger, longer-lasting performance.

### FOR HER

PleazHer Tonic & Pleazures Intimate Lubricant: Enhances female libido, heightens sensitivity, and boosts arousal with smooth, long-lasting lubrication.

# orijins PLEAZURES

## PRODUCT INFORMATION

### PleazHim TONIC (100 ML)

### INGREDIENTS:

Mondia Whiteii, Epimedium sagittatum, Ashwagandha. Cordyceps, Damiana

### PURPOSE:

This tonic has been formulated to empower men to reach their peak performance & to enjoy more satisfying intimate experiences.

### HOW TO USE:

Add 20 drops of tonic to half a glass of water. Drink 2 -3 times daily for best results.

# orijins PLEAZURES

## PRODUCT INFORMATION

### PLEAZHIM DELAY SPRAY (30 ML)

### INGREDIENTS:

Acmella Oleracea Extract, Lepidium Meyenii Root

### PURPOSE:

Formulated to help suppress premature ejaculation for longer-lasting pleasure. Promotes increased stamina and heightened pleasure for a more intimate experience.

### HOW TO USE:

Spray 3 – 5 times on the underside of the tip of penis. For maximum benefit, wait 5 -10 minutes before engaging in intercourse. Wipe off any excess spray before intercourse.

### USAGE WARNING:

For external use only. Safe for skin contact. Accidental ingestion may cause mild discomfort.

## WHO CAN USE THIS RANGE?

### **Ideal for men of all ages**

Over time, routine and responsibilities can affect intimacy. This range helps couples reconnect emotionally and physically, reigniting desire and adding energy to their relationship.

### **Couples looking to bring back excitement into their love life.**

Intimacy can be both exciting and uncertain in new relationships. These products offer support to help build trust, comfort, and confidence — so couples can enjoy their closeness without pressure.

### **Partners supporting each other through physical changes like stress, hormonal shifts, or reduced sensitivity**

Life changes can affect libido — from work stress and fatigue to age-related hormonal changes. This range is designed to help couples, with products that support desire and physical comfort.

### **Couples wanting to add more fun to their love life in a natural, respectful way**

Whether it's about trying something new or simply enjoying each other more fully, these products help bring a playful spark to intimacy — in a way that feels natural, loving, and connected.
