Our reading glasses are non-prescription glasses and are not intended to replace those prescribed by an eye doctor and should not be worn when driving.

Step 1 Passo 1

Without reading glasses, place the chart about arms length distance from you.
Sem óculos de leitura, coloque a tabela sobre o comprimento dos braços à distância de si.

Step 2 Passo 2

The first line where you can no longer clearly read the text will have a suggested strength that should work for you.
A primeira linha que tem dificuldade em ler tem a força da lente à esquerda dela, ou seja, a sua força de lente correcta.

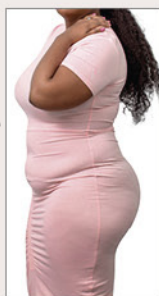

YOU NEED	READ BELOW WITHOUT GLASSES
3.50	Can you read me?
3.00	Can you read me now?
2.50	Good. What about now?
2.00	Looking a little blurry yet?
1.50	WOW. Still not blurry.
1.00	Now you're just showing off.

Our reading glasses are non-prescription glasses and are not intended to replace those prescribed by an eye doctor and should not be worn when driving.

Step 1 Passo 1

Without reading glasses, place the chart about arms length distance from you.
Sem óculos de leitura, coloque a tabela sobre o comprimento dos braços à distância de si.

Step 2 Passo 2

The first line where you can no longer clearly read the text will have a suggested strength that should work for you.
A primeira linha que tem dificuldade em ler tem a força da lente à esquerda dela, ou seja, a sua força de lente correcta.

Care Instructions for White Duvet Inners:

- Handwash gently and soak.
- Avoid bundling them up.
- Do not bleach.
- Prefer flat drying.
- Avoid ironing as polyester inners can melt under high heat.

Instruções de cuidados para edredons brancos:

- Lave delicadamente à mão e deixe de molho.
- Evite agrupá-los.
- Não utilizar alvejante.
- Prefira secagem plana.
- Evite passar a ferro, pois os interiores de poliéster podem derreter sob altas temperaturas.
